# **OBSOLESCENCE MANAGEMENT MASTERCLASS**

**20<sup>TH</sup> - 25<sup>TH</sup> MAY, 2024**  
SHERATON HOTEL, MUSCAT OMAN

# COURSE OVERVIEW

This training course is designed to provide the delegate with practical knowledge of Obsolescence Management and how to apply it to projects. The course explores the origins of obsolescence and what continues to drive the need for managing obsolescence risk. We will also look at the relevant International and the corporate policies that have been published by major organisations.

## WHO SHOULD ATTEND THIS COURSE

This course is specifically tailored for a diverse range of professionals, making it ideal for:

- Warehouse Managers, including those overseeing Inventory and Procurement
- Supply Chain Managers and Executives
- Logistics Managers
- Production Managers
- Sales Managers
- Any professionals tasked with managing obsolescence in their respective roles

This course is meticulously structured to provide participants with a comprehensive understanding of the future costs associated with resolving obsolescence issues, as well as the potential consequences of neglecting obsolescence risks. We will look in detail at the elements of an Obsolescence Management Strategy and an Obsolescence Management Plan using Exercises/ case studies/ workshops
