24th Annual Compliance and Ethics Institute

Advancing Integrity, Accountability, and Excellence in Compliance and Ethics

EVENT OVERVIEW

- **Theme:** Empowering Ethical Leadership in a Complex Regulatory Landscape

Join compliance and ethics professionals from across the globe to explore best practices, emerging trends, and innovative strategies to foster a culture of compliance and ethics within organizations.

KEY FOCUS AREAS

1. Regulatory Updates and Global Compliance Trends
- Navigating changes in laws, regulations, and enforcement priorities
- Addressing global challenges in cross-border compliance

2. Ethical Leadership and Organizational Culture
- Building and sustaining an ethical workplace culture
- Encouraging whistleblowing and fostering trust

3. Technology in Compliance and Risk Management
- Leveraging AI and data analytics for effective compliance monitoring
- Cybersecurity and data privacy compliance

4. Diversity, Equity, and Inclusion (DEI) in Compliance Programs
- Integrating DEI into corporate governance and ethics frameworks
- Addressing bias and promoting inclusive decision-making

5. Crisis Management and Resilience Planning
- Compliance considerations during crises and organizational disruptions
- Building resilience into compliance frameworks
